TapTap Heroes will change the way you think about idle RPGs - PocketGamerStoryline: Tap Tap Heroes finds you centered in mainland Mystia where heroes. In Mystia is a sacred sword carrying the power of creation, discovered by Freya, the queen of hell. As a result, Freya has plans to exploit the power of the sacred sword and take over the world. The Alliance knights in their castles, the Horde of warriors in their caves, the Elven forces in their forests, the Undying spirits in their graves and the Holy Creatures in the heavenlies, though their journeys begin to find the power of creation. Along with more than 200 heroes across six different factions, you also find yourself on a quest to find the sacred sword and offset Freya's plans before it's too late. 【Note: This game requires an Internet connection to play】 Features: ✓ Tapping Feature: - Enjoy the highly addictive tapping feature that adds a twist to the Idle RPG genre. New Game: Interstellar Exploration- Void Cage2. New hero: Horde Warrior - Yig3. New Equipment-Red Quality4. Store-Luck customization5. New stage in Den of Secrets and Planet Trial6. Several other optimizations Hello there im a tap crane hero player and I really enjoy this game, but there's 1 thing I really miss about it... and it is trade... I would enjoy this game waaaaaay more with trade like if you could trade heros (from 1-14) and all sorts of items. I think it would be a winning winning cuz the game would get more people and planera Sal enjoyed it waaaaay more... Hope you see it. That's just my idea and I've heated up a lot of other ppl who want trade. Dear hero, thank you so much for your support, we have received your proposal, we will have more games and more optimization at the later stage, I wish you a happy game. A copy of Idle Heroes Dear hero, each different game has its own function and characteristics, we will continue to optimize and improve the game to make it better, I hope you can give us more suggestions after the game, I wish you happy time. I can oblygt join 8 guilds as I regress it's the same 8 guilds as before Dear hero, I don't quite understand what you mean. If you want to tell us your suggestions in detail, we'll be very happy. You can read it to us by clicking on the menu help in the game. Thank you. The developer, Ajoy Lab, indicated that the app's privacy practices could include handling data as described below.
